Job Description

Job Title: Hotbox Driver

Location: Bristol

Hours: Varies

Salary: Varies on Experience

About the Business:

Network Plus is a leading utility and infrastructure service provider. Every day, we safely maintain, construct and deliver essential services to millions of customers across the UK. Since starting the Company in 2000, Network Plus has grown considerably and now employ over 2000 people across the country.

Job Purpose

To reinstate public highways, footpaths and verge areas in accordance with NRSWA requirements.

Key Responsibilities

- To ensure the site is administered effectively and efficiently to give a quality finished product.
- To ensure the personnel under their control fully understand and adhere to their job requirements.
- To ensure personnel under their control are competent to meet the requirements of the contract and company.
- To ensure safety on their site, have full details of all underground plant, mark location of underground plant, adequately protects excavations, give due to consideration to the public and wear the necessary protective clothing.
- To ensure security, cleanliness and good care of company equipment and plant.
- To ensure production levels are known by all concerned and these are met.
- To notify supervisor well in advance of any support services they require ensuring they operate effectively and efficiently.
- To plan future work with his supervisor and record accurately details of works undertaken. Order their material requirements accurately, reduce waste and repeat deliveries.
- To maintain good customer and client relations for the benefit of the company and the benefit of our client.
- To ensure timely and accurate completion of all necessary documentation in accordance with the company and contract requirements.
- To continually review working practices to achieve improved productivity. Maximum results for minimum costs.
- To ensure compliance with all statutory requirements.

- Take a positive approach to their team's production, set daily targets with their supervisor and ensure he meets them. Take pride in quality project completion on time, right first time no call-backs, no complaints
- Project a good company image.
- To ensure the hotbox is kept neat and tidy and free of tarmac everyday. Reducing the risk of tarmac falling from the lorry and damaging other vehicles and members of the public.
- Ensuring the vehicle doesn't run dry of gas and fuel and is ready to go each morning.
- Ensuring all documentation around the vehicle and check sheets are completed daily and weekly, as per the companies requirements.

Qualifications/Skills Required

- NRSWA to supervisor level GCSE's in Maths and English
- SHEA Gas/water
