

Job Description

Job Title: Graduate Environmental Advisor
Company: Network Plus – Cadent North West
Location: Salford
Salary: £24,000
Hours: Permanent

About the Business:

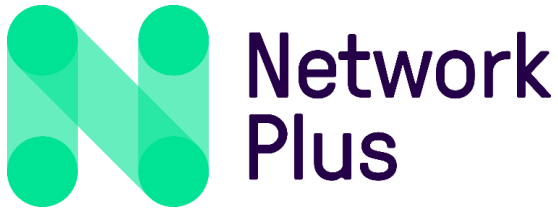

Network Plus is a leading utility and infrastructure service provider. Every day, we safely maintain, construct and deliver essential services to millions of customers across the UK. Since starting the Company in 2000, Network Plus has grown considerably and now employ over 2000 people across the country.

Job Purpose

As an Environmental Advisor you will be supporting the Section HSEQ Manager and the Compliance Team as a whole for the Construction Management Organisation working for Cadent Gas Network in the North West, in ensuring all environmental, consents and sustainability matters, are implemented effectively as set out within the frameworks HSEQ Management Plan. You will be a part of the HSEQ Team and will work as an integrated member of the whole Compliance Team and will advise and provide guidance to the Operational Team on relevant issues and concerns, helping to facilitate construction in a compliant manner. You will assist with monitoring, the production of and implementation of permits and consents where required, you will implement environmental construction compliance policy procedures; assist with regular reporting and attend site to ensure that controls are being implemented through an auditing process. Updating progress and improvements with the Annual Work Stack Plan, as well as be able to identify training needs and maintaining our legal register and legislative changes specifically with regards to environmental aspects. It is critical that you build effective relationships with other team members and stakeholders, as this is an exciting opportunity for someone who wants to embark on new journey in their chosen career and who has just or recently graduated. Full commitment to further develop your skill and education at one the fastest growing companies in an exciting sector.

Key Responsibilities

Our goal as an employer is to recruit, motivate, and develop our employees with diverse ranges of talents and perspectives to ensure that we have the breadth of viewpoints, experiences, and skills needed to succeed. We feel that this opportunity should be open to everyone who wants to develop further and gain the experience and make the role their own. WE at Network Plus embrace diversity of all kinds in order to provide a work environment and culture that play a key role in attracting and retaining the right people with the right skills.
