**Date Sampled** : 4th November 2020

**Date Tested** : 9th - 13th November 2020

**Source** : Not stated

**Weather** : N/A

**Test Results;**

Please see attached

Opinions and interpretations expressed herein are outside the scope of UKAS accreditation  
This report should not be reproduced except in full without the written approval of the laboratory  
All remaining samples for this project will be disposed of 28 days after issue of this test certificate  
When a statement of conformity is requested for a test result against limits set out in a standard or specification (e.g. BS EN ISO, SHW) that already considers measurement uncertainty, MATtest Laboratories decision rule is to follow conformity requirements of the applicable standard or specification.  
Results reported only relate to the items tested/ received.

**Remarks;**
