

HSEQ Advisor South East

Our Company

Network Plus is a leading utility and infrastructure service provider, operating across the UK.

Originally established in 2000, the company has grown significantly through the award of long-term contract frameworks with major utility organisations and infrastructure providers. With a current workforce of over 2,000, our services are delivered through an absolute focus on health and safety as well as market leading levels of service to both our clients and their customers.

Our Headquarters are based in Salford, near Manchester, and we operate from over 20 regional depot bases. We deliver services 24/7/365 in city centres as well as rural locations.

Our vision is to be the best service provider in the UK utilities and infrastructure sectors by safely constructing, maintaining and managing essential services at the lowest sustainable cost.
