

Senior Quantity Surveyor East Midlands

Our Company

Network Plus is a leading utility and infrastructure service provider, operating across the UK.

Originally established in 2000, the company has grown significantly through the award of long-term contract frameworks with major utility organisations and infrastructure providers. With a current workforce of over 2,000, our services are delivered through an absolute focus on health and safety as well as market leading levels of service to both our clients and their customers.

Our Headquarters are based in Salford near Manchester and we operate from over 24 regional depot bases. We deliver services 24/7/365 in city centres as well as rural locations.

Our vision is to be the best service provider in the UK utilities and infrastructure sectors by safely constructing, maintaining and managing essential services at the lowest sustainable cost.

Our role

The role of Senior Quantity Surveyor will see you working on the Gas Main's Replacement contract for Cadent in the East Midlands. You will have overall control and responsibility for managing the project financials. You will excel at maximising cost efficiencies with a firm focus on maintaining high standards and quality. You will manage all financial aspects of the project; overseeing all commercial & contractual matters. You will deliver desired margin return utilising high standards of commercial acumen. Whilst identifying, recording and tracking, both risks and opportunities.

Key Responsibilities

You will be commercially responsible for project costs of £8-10m

You will maximise project value and minimise cost; ensuring that appropriate controls are in place to monitor and manage the operating cost base

You will work with the operational teams to deliver and manage performance against commercial targets

You will manage commercial performance against business targets and Framework KPI's

You will review contract documents and advise on any issues

You will produce and review commercial forecasts, Cost Value Reconciliation (CVRs) and Project Finance Reports

You will take overall responsibility for Subcontract Management; including Subcontract Forecasting, raising Subcontractor Orders and Negotiating Subcontract terms

You will be responsible for the management of the change control process, risk and value management

You will attend risk review, progress and commercial meetings on-site with the Client

You will manage tenders and pricing; negotiating and managing expectations of suppliers and subcontractors

You will work with the operational team in daily commercial and contractual aspects to ensure objectives are aligned and contractual compliancy requirements are met

You will be responsible for the management and development of your team; ensuring they are mentored with a clear talent development roadmap

Salary and Benefits

We offer a competitive salary based on experience along with a full benefits package.

Network Plus is proud to be an Equal Opportunity Employer. We celebrate diversity and do not discriminate based on race, religion, colour, nationality, sex, sexual orientation, age, veteran status, disability status, or any other applicable characteristics protected by law.

We are Armed Forces-friendly. We welcome applications from ex-Armed Forces personnel, reservists, armed forces veterans, cadet instructors and military spouses/partners.

We understand that privacy and the security of your personal information is extremely important. By applying for this role, you agree to the terms of our privacy policy which you can find here - <https://networkplus.co.uk/privacy-and-cookie-policy>.
